

Hola Golfers!

Do you want to play golf somewhere you've never played before? Want to practice your swing in paradise? Well, there's good news for you ... we have personally put together the best golf vacation you will find in the world!

Play golf for a week with your buddies at Paradisus Playa Conchal Resort in Costa Rica, and have the time of your life. Enjoy the good life while playing your favorite sport, with your best friends for an entire week in paradise – you will never want to leave.

Paradisus Playa Conchal is an all butler, all inclusive, 5-star resort. They love to host our trips and will do everything they can to make sure you are pampered and taken care of on a very personal level. By the end of the trip their staff will know your first name, and you will know theirs. They want to make sure you not only have an amazing time, but also create a long lasting friendship with you. This is the true meaning of the famous Costa Rican expression "Pura Vida," which means "Life is Good."

One of our full-time bilingual guides who specializes in Costa Rica will go with you to ensure your needs are taken care of and you don't need to worry about anything except making that clutch putt when a hard-earned birdie is on the line.

The private golf course at Paradisus has won numerous awards and is recognized as the best course in Central America. And it was designed by a guy named Robert Trent Jones II, have you heard of him? Several of the holes overlook the Pacific Ocean and the majority of golfers that play the course have an encounter with a friendly Costa Rican iguana or a capuchin monkey. Careful, the monkeys love to steal golf balls!

Paradisus also offers lots of other activities such as scuba diving, jet skiing, deep sea fishing, dancing lessons, horse back riding, kayaking and more. The resort has a private casino and theater with nightly entertainment.

This means that every night you can try your luck and watch a private dance show especially designed for the resort's guests. And the icing on the cake – a lagoon style swimming pool with several swim-up bars and a zip-line over head!

So what are you waiting for? Book your trip today and we promise you that this trip will show you first-hand what it means to live the "Pura Vida" life, where time stops and FUN is everything!

Ok, so this is the deal: stay in a luxurious suite 7 days and 6 nights at Paradisus Playa Conchal (double occupancy), roundtrip airfare, unlimited 24/7 beverages and meals (à la carte), 4 full rounds of golf with a cart, in-country transportation, full-time bilingual guide, personalized trip gifts and photo album; all this for only \$2,799.
